Gentlemen:                    Re: Allen W. Dulles Speech to the  
                                 Junior Chamber of Commerce  
                                 last Spring regarding  
                                 Foreign Investments

I am a college student writing a theme on Foreign  
Investment.    Would it be possible to send me a copy of this  
speech?    Since I have a limited time within which to complete  
this theme, I would appreciate receiving the same as soon as possible.

If there is any cost for same, please advise me and I  
will remit the cost by return mail.

Very truly yours,
